## CONCESSIONS LEASE AGREEMENT

This Concessions Lease Agreement (“**Agreement**”) is entered into and made effective on this \_\_\_\_ day of \_\_\_\_\_, 2014 (“**Commencement Date**,” as further defined at Section 2.1 herein), between the City of Atlanta (“**City**”) and \_\_\_\_\_ (“**Concessionaire**”) who agree as follows:

### **1. PREMISES**

#### **1.1 Description of Premises.**

**1.1.1** Concessionaire shall be entitled to occupy and use, for the purposes set forth herein, the following premises (“**Premises**” hereinafter refer to the total square feet under this Agreement on the Commencement Date) consisting of approximately 1,700 square feet in the - Atrium of Hartsfield-Jackson Atlanta International Airport (the “**Airport**”), and as further depicted in **Exhibit A**, as follows:

<b>Space</b>	<b>Location</b>	<b>Approximate Square Footage</b>
ATR-S20	Atrium – 3 <sup>rd</sup> level	1,700
<b>Total square footage:</b>		<b>1,700 square feet</b>

**1.1.2** No easement for light, air or view is granted, given or implied in this Agreement. Upon completion of the construction contemplated by the Section entitled “**Improvements**,” Concessionaire must submit to City a current, more detailed description based on final, as-built drawings, which will be incorporated by reference into this Agreement as a supplement to **Exhibit A**, without the need for the parties to formally amend this Agreement.

#### **1.2 Relocation, Expansion and Contraction; Reimbursement of Certain Costs.**

**1.2.1 City’s Right to Require.** City may require that Concessionaire relocate all or part of the Premises within the Airport, or expand or contract the size of the Premises. Concessionaire must accomplish any such relocation, expansion or contraction expeditiously upon a timetable approved or directed by the Aviation General Manager.

##### **1.2.2 Reimbursements.**

**1.2.2.1** In the event the City requires Concessionaire to relocate all or part of the Premises or contract the size of the Premises, City agrees to reimburse Concessionaire for the reasonable unamortized construction costs for Concessionaire’s improvements within such portion of the Premises affected (based on the current book value of furniture, fixtures and improvements using the straight-line method of depreciation), and moving costs incurred due to relocation.

**1.2.2.2** The amount of reimbursed costs allowed by City pursuant to this Section is at the City's sole determination. Proof of unamortized costs must be provided to and verified by the Aviation General Manager prior to reimbursement.

**1.2.2.3** City will amortize the construction and moving costs over the remaining term of the Agreement. This amortization may result in rental credits to future rental payments. No cash reimbursements or credits for any outstanding indebtedness will be provided by City as reimbursement for allowable construction and/or moving costs.

**1.2.2.4 Affect on Rental Payment Obligations in the Event of Relocation, Contraction or Expansion.** Any such relocation, contraction or expansion required of Concessionaire under this Section may change Concessionaire's obligation to pay rent pursuant to the terms of the Agreement as follows:

**1.2.2.4.1 Relocation.** If the relocated Premises is deemed unsatisfactory by Concessionaire, then Concessionaire will have the right to terminate this Agreement with no additional obligation on the part of either Concessionaire or City; except that City agrees to reimburse Concessionaire for the reasonable unamortized construction costs for Concessionaire improvements within the Premises (based on the current book value of furniture, fixtures and improvements using the straight-line method of depreciation). Concessionaire must exercise its limited right to terminate under this Section by tendering written notice to City no later than thirty (30) days after Concessionaire receives notice from City of the required relocation, date of relocation and the location of the new Premises.

**1.2.2.4.2 Contraction.** If contraction of the Premises is required and the amount of contraction is greater than ten percent (10%) of the gross square footage of the Premises, then the Minimum Annual Guarantee will be decreased in proportion to the amount of the percentage contraction of the gross square footage of the Premises. Contractions of the Premises are deemed cumulative in the aggregate and are to be compared with the area of the Premises as originally let on the Commencement Date.

**1.2.2.4.2.1** For example, assuming the Premises of this Agreement on the Commencement Date is one thousand (1,000) square feet. If, in contract year three (3), the City requires a contraction of the Premises to nine hundred and fifty (950) square feet, the MAG related to the Premises will not be adjusted because the contraction is less than ten percent (10%) of the original square footage. If, in contract year four (4), the City requires a contraction of an additional one hundred (100) square feet, the MAG related to the Premises will be reduced by fifteen percent (15%) because the resulting Premises will have contracted by fifteen percent (15%), in the aggregate, as compared to the original square footage.

**1.2.2.4.3 Expansion.** If expansion of the Premises is required and the amount of expansion is greater than ten percent (10%) of the gross square footage of the Premises, then the Minimum Annual Guarantee will be increased in proportion to the amount

of the percentage expansion of the gross square footage of the Premises. Expansions of the Premises are deemed cumulative in the aggregate and are to be compared with the area of the Premises as originally let on the Commencement Date.

**1.2.2.4.3.1** For example, assuming the Premises of this Agreement on the Effective Date is one thousand (1,000) square feet. If, in contract year three (3), the City requires an expansion of the Premises to one thousand and fifty (1,050) square feet, the MAG related to the Premises will not be adjusted because the expansion is less than 10% of the original square footage. If, in contract year four (4), the City requires an expansion of an additional one hundred (100) square feet, the MAG related to the Premises will be increased by fifteen percent (15%) because the resulting Premises will have expanded by fifteen percent (15%), in the aggregate, as compared to the original square footage.

**1.3. Concourse Closure.** If a concourse in which any part of the Premises is located is permanently closed to passenger use, upon such closure this Agreement will terminate as to the portion of the Premises on that concourse and City will reimburse Concessionaire for the reasonable unamortized construction costs for Concessionaire's improvements within the Premises (based on the current book value of furniture, fixtures and improvements using the straight-line method of depreciation). Upon such reimbursement to Concessionaire, title to all such furniture, fixtures and improvements will be deemed conveyed to City and Concessionaire may be required to execute such further documents and instruments to evidence such conveyance. Proof of unamortized costs must be provided to and verified by the Aviation General Manager prior to reimbursement.

**1.4. Support Space and Access.** Throughout the Airport there are certain spaces that may be available to Concessionaire for lease as support space for offices, storage or other similar support uses. Concessionaire may request the use of a portion of such available additional space for purposes relating to the business conducted at the Premises. Such request must state the specific intended use of the space by the Concessionaire. If the Aviation General Manager determines that space is available for the purpose requested, such space may be provided to Concessionaire on a thirty (30) day revocable basis, at the then current rate charged by City for comparable space at the Airport. To memorialize the use of any such additional space, the parties will execute a permit outlining the terms of use. Such space may be unfinished and Concessionaire may be required, as a condition to using such space, to develop and improve the space at its sole cost and without rental credit according to the terms and conditions contained in the permit.

## **1.5. Deliveries.**

**1.5.1 Standard Delivery Policies.** Regular deliveries to the Premises and other spaces at the Airport used by Concessionaire under a permit will be allowed during hours designated by the Aviation General Manager only and will be scheduled to minimize circulation conflicts with aircraft activity. Concessionaire is responsible for arranging for the delivery of all goods

required for the operation of the business at the Premises. The Aviation General Manager must approve deliveries and delivery schedules.

**1.5.2 Exceptional Delivery Circumstances.** City acknowledges that certain exceptional circumstances may require variations from the designated hours for regular deliveries. Such deliveries will require the express prior written approval of the Aviation General Manager. Concessionaire is prohibited from using the Automated Guide Way Transit System or any of its moving sidewalks.

**1.5.3 Approval of Delivery Companies.** Only companies approved by the Aviation General Manager with required training, such as Airport security class and drivers' training, insurance and security clearance will be authorized to make deliveries at the Airport.

**1.5.4 City's Right to Use Third-Party Contractor.**

**1.5.4.1** The City may procure a third-party contractor to provide all receiving, handling and transfer/delivery services for all or any portion of the concessionaires operating at the Airport in accordance with policies the Aviation General Manager believes at his/her discretion to be in the best interests of the City.

**1.5.4.2** If the City chooses this option, it may direct the Concessionaire to exclusively utilize the services of such third-party contractor for all receiving, handling and transfer/delivery services required by Concessionaire concerning the business it operates in the Premises. Concessionaire will be required to promptly pay all invoices provided to Concessionaire by such third-party contractor for receiving, handling and transfer/delivery services.

**1.5.4.3** Charges paid by Concessionaire for these services will be developed by the selected contractor based upon actual costs and will be subject to annual audit by the Aviation General Manager. It is anticipated that a flat rate will be developed and approved by the Aviation General Manager for these services according to concession category, frequency of deliveries, volume of goods delivered, amount of waste handled, etc. These charges are subject to change. Concessionaire should anticipate a charge of up to fifty dollars (\$50.00) per square foot of the Premises and other spaces at the Airport used by Concessionaire under a Permit per year if a third-party contractor is used by the City and Concessionaire is directed to use such services.

**2. TERM**

**2.1 Commencement Date.** Pursuant to the City of Atlanta Code of Ordinances ("Code"), this Agreement will not become binding upon the City and the City will incur no liability under it until it has been duly executed by the Concessionaire, returned to the City with all required submittals, including insurance and bonding, executed by the Mayor, attested to by the

Municipal Clerk, approved by the City Attorney as to form and delivered to the Concessionaire, which shall be the effective date of this Agreement ("**Commencement Date**").

**2.2 Term.** The term ("**Term**") of this Agreement is seven (7) years from the Commencement Date at the end of which the Agreement will immediately and automatically terminate, unless renewed by the City of Atlanta pursuant to the Section entitled "Renewals." All rights and obligations of the parties under this Agreement shall commence on the Commencement Date of the Agreement, except for, to the extent that City is unable to turn over possession of any part of the Premises to Concessionaire on the Commencement Date: (1.) the City's obligation to deliver such portion of the Premises to Concessionaire; (2.) Concessionaire's obligation to pay rent for such portion of the Premises; (3.) Concessionaire's obligation to improve such portion of the Premises; and (4.) Concessionaire's obligation to operate such portion of the Premises. These four (4) specific obligations shall all commence on the date the City makes such portion(s) of the Premises available to the Concessionaire.

**2.3 Renewals.** This Agreement is subject to a single three (3) year renewal at the sole option of the City. Notice of the City's intention to renew the Agreement will be provided to Concessionaire within thirty (30) days of the end of the fifth (5<sup>th</sup>) anniversary of the Commencement Date. Renewal shall require the approval of the City Council and, if granted, will require the execution of an appropriate Renewal document.

**2.4 Holding Over.** If Concessionaire remains in possession of the Premises after the expiration of the Term, or any renewals, without written permission from the City, such holding over will not be deemed to operate as a renewal or extension of this Agreement, nor will it create a tenancy at will. Such holding over will create a month-to-month tenancy at a monthly rate equal to twice the monthly rate existing during the last month of the Term or the renewal period. During such month-to-month tenancy, the terms of this Agreement and any amendments hereto will continue to govern the relationship of the Parties.

### **3. USE**

**3.1 Non-Exclusive.** Concessionaire will have the exclusive rights to provide children's play area, mothers' nursing station and interactive game lounge services on the Premises. However, the parties hereto agree that Concessionaire's rights hereunder are not exclusive to the Airport.

**3.2 Use of Premises.** Concessionaire must use the Premises to manage and operate the Health Care Services location referenced above including associated products and services, all in accordance with the terms and conditions contained herein, including but not limited to the Scope of Services delineated on the attached **Exhibit A**.

**3.3 Pricing.** Concessionaire must submit all of its proposed prices to the Aviation General Manager for review at least thirty (30) days prior to Concessionaire offering its services to the public. Concessionaire may not charge any prices that have not been approved in writing by the Aviation General Manager, once Concessionaire's initial proposed prices are approved in

writing. Concessionaire must submit any proposed price changes to the Aviation General Manager for approval prior to implementation.

**3.3.1 Street Plus Ten Percent (10%) Pricing.** To determine Street Plus Ten Percent (10%) Prices, the Aviation General Manager may, at any time, conduct a Market Basket Pricing Survey. This survey shall consist of at least three (3) and up to six (6) Metropolitan Atlanta area same store or similar store locations where residents, travelers or visitors normally shop. Concessionaire's price on any specific item or service may not exceed the average price of those locations plus an additional ten percent (10%). The Aviation General Manager has the sole discretion to determine whether a price is reasonable.

**3.3.2 Same Store Pricing.** For any operations where Concessionaire currently operates the same or similar store in the Metropolitan Atlanta area, Concessionaire may not charge higher prices at the Airport for like or similar items and services. The Aviation General Manager has the right to survey prices at those stores and to use these prices for same or similar items as the primary basis for pricing in the Premises. If the same brand does not exist in Metropolitan Atlanta area, the Concessionaire shall charge Street Plus Ten Percent (10%) Price.

**3.4 Continuous Operation of Premises.** Concessionaire must operate the Premises without interruption, throughout the Term, including renewals, and provide all required Services to the extent permitted by law and provided that Concessionaire is lawfully entitled to possession of the Premises.

**3.5 Hours of Operation.** The Premises must be open for business three hundred sixty-five (365) days a year from 7:00 am to 8:00 pm unless otherwise specified by the Aviation General Manager. The specific hours of operation are intended to represent the minimum operating hours.

**3.5.1** The Hours of Operation must be posted at each store location in a format approved by Aviation General Manager. Concessionaire may be required to keep its stores open for additional hours, including without limitation, up to twenty-four (24) hours a day, with very limited notice, under circumstances warranting such additional hours, as determined by the Aviation General Manager in his/her sole discretion.

### **3.6 Customer Service.**

**3.6.1** The Aviation General Manager shall have the right to make reasonable objections to the quality of articles sold, the character of the service rendered to the public, the prices charged and the appearance and condition of the Premises. Concessionaire agrees to promptly discontinue or remedy any objectionable practice. Concessionaire must also comply with the Concessions Compliance Standards established by the Aviation General Manager. A copy of the Concessions Compliance Standards, which are by this reference incorporated herein

and are subject to amendment by City at any time, are available on the Airport's website ([www.atlanta-airport.com](http://www.atlanta-airport.com)) under Business Information.

**3.6.2 Customer Service Quality Assurance and Mystery Shopper Standards.** The City's mission is to operate the world's best airport by exceeding customer expectations. Well-defined and highly effective customer service programs are expected from all concessionaires. All Concessionaires will undergo scheduled and unscheduled monthly quality assurance audits in order to ensure optimal customer service performance. Basic standards of customer service include and are not limited to the following: promptly greeting the customer with a smile; making eye contact; being friendly and knowledgeable about the Airport; listening and responding politely; presenting a receipt and the correct change to the customer; and thanking the customer with a smile. In addition, the Concessionaire must understand and agree that its operation at the Airport necessitates the rendering of the following passenger services: making reasonable change; offering passengers directions and assistance; and accepting four (4) major credit cards (Visa, MasterCard, Discover, and American Express) as payment for any debit or credit transaction. Further, the Department of Aviation ("DOA") highly encourages and may ultimately require the implementation of expedited payment options, which may include but is not limited to MasterCard PayPass® technology as well as "Mystery Shopper Services" to ensure consistent performance.

**3.6.2.1** The DOA requires Concessionaire and its staff to attend customer service training and all other such classes at the Concessionaire's expense, and/or as directed by the Aviation General Manager. All training as provided by the Concessionaire to its associates must comply with the Airport's compliance standards of customer service. Any costs associated with such additional training is the sole responsibility of Concessionaire.

**3.6.2.2** A high quality and stable work force is key to providing outstanding customer service. Concessionaire is expected to maintain a positive work environment that encourages the development and growth of all employees. Concessionaire is expected to maintain favorable turnover rates compared to like businesses in the industry. Failure to do so may result in non-renewal or termination of this Agreement.

**3.6.2.3** Concessionaire's staff must be aware of the time sensitive nature of Airport patrons. Concessionaire's employees shall be courteous and helpful to the public.

**3.6.2.4** Concessionaire shall conduct its operation in a business-like manner. Concessionaire must carry a sufficient quantity of inventory to ensure that the Premises will be fully stocked and available to passengers at all times. All inventories must be top quality and displayed in an "opening day fresh" manner. In addition, a dress code should be strictly adhered to for all operating staff.

**3.6.2.5** Concessionaire agrees to offer "take out" packaging to enable customers to more easily transport items through the Airport. Environmentally friendly and/or innovative packaging or transportation devices that facilitate travel are highly encouraged.

**3.7 Marketing.** In order to support and fuel the Airport's concessions program, Concessionaire shall pay a marketing fee equivalent to one-half of one percent (0.5%) of Concessionaire's Gross Revenues. The marketing fee will cover development of signage and other promotional materials and programs including, but not limited to, advertising, employee incentives and brochures/informational materials and technology to communicate the program offerings. The use and application of the marketing fees will be at the sole discretion of the Aviation General Manager. Concessionaire must support marketing programs by providing concept information, logos or initiating promotional materials as requested. Costs for any new materials will be supported by the collected marketing fees. Tenant will not be required to offer discounts outside of the established pricing policy.

**3.8 Prohibition of Solicitation.** Concessionaire is strictly prohibited from engaging in any activities outside the Premises within the Airport for the recruitment or solicitation of business. Concessionaire may not place or install any carts, kiosks, inline store, racks, or stands, or display merchandise or trade fixtures outside the boundaries of the Premises without the express written consent of the Aviation General Manager.

**3.9 Representative of Concessionaire.** Concessionaire must at all reasonable times retain in the Airport at least one (1) qualified representative, authorized to represent and act for it in matters pertaining to this Agreement and its operations at the Airport and must keep the Aviation General Manager informed in writing of the identity of each such person.

**3.10 Investigation Reports.** Concessionaire must, if required in writing by the Aviation General Manager, employ, at its own cost and expense, an investigative organization approved by the Aviation General Manager for the purpose of making investigations and observations and preparing a written report on the carrying out of any pricing policies, revenue control and operational techniques being used at the Premises. Concessionaire must cause such investigation and observation to be made at reasonable times and in the manner set forth in the Aviation General Manager's written directive to Concessionaire, and the investigator must deliver to the Aviation General Manager a true and complete written copy of any such report made to Concessionaire within the timeframe designated by the Aviation General Manager.

**3.11 Ingress and Egress; Security Regulations.** Concessionaire possesses the right of ingress to and egress from the Airport as may be necessary to fulfill its obligations under this Agreement, subject to Airport rules and regulations, and agrees that the exercise of such right must not impede or interfere unduly with the operation of the Airport by City, its tenants, contractors, airline passengers, the public or other authorized occupants. Concessionaire agrees that its rights under this Agreement are subject to all security regulations or restrictions that may exist or come into existence and be imposed by any governmental entity having jurisdiction over the Airport and security matters pertaining to it. Concessionaire will have no claim for relief of rent or other remedies as a result of the imposition of such security regulations, other than as specifically identified in the Section entitled "Reduction in Rent Due to Change in Enplanements," or as otherwise allowed herein.

### **3.12 Reservations by City.**

**3.12.1** City has the right, without any obligation to do so, at any reasonable time and as often as it considers necessary:

**3.12.1.1** to inspect any portion of the Premises;

**3.12.1.2** to enter the Premises and make ordinary repairs;

**3.12.1.3** to take such action in the event of an emergency concerning the Premises as may be required for the protection of persons or property. In the event the need to take such emergency action is caused by acts or omissions of Concessionaire, Concessionaire will reimburse City for the City's costs associated with such emergency actions. Further, Concessionaire must assure City of emergency access to the Premises by providing emergency telephone numbers at which Concessionaire's representative(s) may be reached on a twenty-four (24)-hour basis.

### **3.13 Compliance with Laws and Regulations; Licenses and Permits.**

**3.13.1** Concessionaire must at all times during the Term and any renewal term comply with all the applicable federal and state laws, local ordinances, codes, rules and regulations respecting Concessionaire's use and occupation of the Premises issued by any governmental entity having jurisdiction over the Airport, including, but not limited the City and the Aviation General Manager.

**3.13.2** Concessionaire shall be solely responsible for the cost of obtaining and maintaining all licenses and permits necessary to operate at the Airport and perform all required Services.

**3.14 Prohibited Uses.** The Premises may not be used except for the purposes specified in the Section entitled "Use." Concessionaire may not do, or cause or permit anything to be done in or about the Premises, or bring or keep anything on the Premises:

**3.14.1** increasing in any way the rate of fire insurance or other insurance applicable to the Airport or its concourses, or any of its contents;

**3.14.2** creating a nuisance;

**3.14.3** in any way obstructing or interfering with the rights of others in the Airport, or injuring or annoying them;

**3.14.4** allowing any sale by auction on the Premises;

**3.14.5** committing any waste upon the Premises;

**3.14.6** using or allowing the Premises to be used for any improper, immoral, unlawful or objectionable purpose;

**3.14.7** placing any loads upon the floor, walls or ceiling which endanger the structure;

**3.14.8** obstructing the sidewalk, passageways, stairways or escalators in front of, within or adjacent to the Airport, its concourses or other facilities; or

**3.14.9** doing or permitting to be done anything in any way tending to injure the reputation of City or the appearance of the Airport, its concourses or other facilities.

**3.15 Trash Removal.** All waste matter must be stored and disposed of in a manner satisfactory to the Aviation General Manager, and Concessionaire agrees to arrange for the timely disposal of all waste material at its own expense. Concessionaire will be responsible for the removal of Concessionaire's trash from the Premises and transfer to designated waste receptacles. Concessionaire will be billed proportionately for all costs associated with trash removal from designated waste receptacles. Concessionaire must properly and separately dispose of all medical waste.

#### **4. ASSIGNMENT OR SUBLETTING**

**4.1** Concessionaire may not assign, transfer or encumber its interest in this Agreement or any other right, privilege or license conferred by this Agreement, either in whole or in part, without the prior written consent of City. Furthermore, Concessionaire may not sublet or encumber the Premises, or any part of it, without the prior written consent of City. Any attempted assignment, transfer, encumbrance or sublease without the prior written consent of City is voidable at City's election.

**4.2** If Concessionaire is a partnership or joint venture, a withdrawal or change (whether voluntary, involuntary or by operation of law) of the partner/joint venturer or partners/joint venturers owning more than fifty percent (50%) (as measured by interests in capital, profits or such other measurement as City may reasonably designate) of the partnership/joint venture, or the dissolution of the partnership/joint venture, will be deemed an assignment subject to this Section.

**4.3** If Concessionaire is a corporation, any dissolution, merger, consolidation or other reorganization of Concessionaire, or the sale or other transfer of a controlling percentage of the capital stock of Concessionaire, or the sale of more than fifty percent (50%) of the value of the assets of Concessionaire, will be deemed an assignment subject to this Section. The phrase "controlling percentage" means the ownership of, and the right to vote, stock possessing more than fifty percent (50%) of the total combined voting power of all classes of Concessionaire's capital stock issued, outstanding and entitled to vote for the election of directors. This

paragraph will not apply to corporations the stock of which is publicly traded through an exchange or over the counter.

## **5. RENTAL PAYMENTS**

### **5.1 Rental Payments.**

**5.1.1** The total rental payment for the first year of this Agreement shall be the greater of Concessionaire's Minimum Annual Guarantee ("MAG") of \$\_\_\_\_\_ or percentage of the Concessionaire's Gross Receipts ("Percentage Rent") (based on the categories referenced in the Scope of Services in Exhibit A) over the first year, whichever is higher. In each subsequent year during the Term of this Agreement (including any years during a renewal Term) the MAG for the applicable year will be adjusted to equal the higher of (1) the previous year's MAG; or (2) eighty-five percent (85%) of the total rent owed by Concessionaire during the previous year.

**5.1.2** Rent to be paid each month under this Agreement will be the higher of one twelfth ( $1/12^{\text{th}}$ ) of the MAG or Percentage Rent (Percentage of Gross Receipts) as stated above.

**5.1.3** The term "Gross Receipts" shall include and/or all monies paid or payable to Concessionaire or concessionaire's subconcessionaire for sales made or services rendered at or from the Airport, regardless of when, where, or whether the business transaction occurs on or off of the Airport property as well as any other revenues of any type arising out of or in connection with Concessionaire's operations at the Airport under this Agreement, provided, however, that any taxes imposed by law which are separately stated to and paid by the customer and directly payable to the taxing authority by Concessionaire shall be excluded.

**5.1.4** Rent will be paid monthly in advance, beginning on the Commencement Date. Concessionaire will pay one-twelfth ( $1/12^{\text{th}}$ ) of the MAG on the first day of each month. By the tenth ( $10^{\text{th}}$ ) day of each month, Concessionaire will submit a report, in a form provided by DOA, of actual Gross Receipts received during the previous month along with the calculation of Percentage Rent for such previous month and if greater than the previously paid MAG a check representing the additional rent owed to it as a result of such Percentage Rent calculation.

**5.1.4.1** Annual Rent for each contract year will be trued up in the first quarter of the following contract year in conjunction with the annual report due from Concessionaire to City under Section 5.2.4 of this Agreement. Any overpayments made to the City will be reimbursed in the following year through rent credits.

**5.1.5** Minimum Annual Guarantee rental paid after the tenth ( $10^{\text{th}}$ ) of the month and Percentage Rent and marketing fee paid after the twenty-fifth ( $25^{\text{th}}$ ) day of the following month will be deemed a late payment and shall incur interest as additional rent at the rate of one-tenth ( $1/10^{\text{th}}$ ) of one percent (0.1%) compounded daily from the date due until the date received by the City.

**5.1.6** The Marketing Fee is due by the twentieth (20<sup>th</sup>) day of the each month and shall be paid to the City separately from any payment of rent.

**5.1.7 Method of Payment.**

**5.1.7.1** Rental for any partial month shall be prorated, if applicable. Rental payments shall be made in lawful money of the United States, free from all claims, demands, set-offs abatement or counterclaims of any kind against City. All rental payments shall be payable at:

**City of Atlanta  
Department of Aviation  
P.O. Box 920500  
Atlanta, Georgia 30392**

**5.1.7.2** City may require payment at such other place as the Aviation General Manager may from time to time designate to Concessionaire in writing.

**5.1.7.3** No payment by Concessionaire or receipt by City of a lesser amount than the correct rent shall be deemed to be other than a payment on account, nor shall any endorsement or statement on any check or any letter accompanying any check or payment be deemed an accord and satisfaction. City may accept such check or payment without prejudice to City's right to recover the balance or to pursue any other remedy in this Agreement or otherwise provided by applicable law or equity.

**5.2 Books and Records.**

**5.2.1** Concessionaire must maintain throughout the Term of this Agreement and for a three (3) year period after the Term, including renewals, or, in the event of a claim by City, until such claim of City for payments hereunder shall have been fully ascertained, fixed and paid, separate and accurate, daily records of Gross Revenues from all activity conducted under this Agreement in accordance with generally accepted accounting principles, showing in detail all business on or transacted in, about, from or pertaining to the Premises, and Concessionaire must enter all receipts arising from such business in regular books of account, and all entries in any such records shall be made at or about the time the transactions occur.

**5.2.2** In addition, Concessionaire shall maintain weekly, monthly and annual reports of Gross Revenues and transactions derived from its operations under this Agreement, using a form and method as directed by the Aviation General Manager. Concessionaire, throughout the Term of this Agreement, including renewals, shall employ such forms and methods. Upon the Aviation General Manager's written request, Concessionaire must make available immediately at the Airport, for inspection and copying by the Aviation General Manager, any and all books, records and accounts pertaining to its operations or performance of its obligations under this Agreement. The intent and purpose of the provisions of this Section are

that Concessionaire must keep and maintain records which will enable City to ascertain, determine and audit, if so desired by City, clearly and accurately, Concessionaire's obligations under this Agreement and the share of Gross Revenues received by City, and that the form and method of Concessionaire's reporting of Gross Revenue will be adequate to provide a control and test check of all Gross Revenue derived by Concessionaire under this Agreement.

**5.2.3** Should any examination, inspection or audit of Concessionaire's books and records by City disclose an underpayment by Concessionaire in excess of 2% of the total annual consideration due, Concessionaire must promptly pay City the amount of such underpayment, plus interest thereon at the rate of one and one-half percent (1.5%) per month, from the date due until the date collected, and shall reimburse City for all costs incurred in the conduct of such examination, inspection or audit. If City deems it necessary to utilize the services of legal counsel in connection with collecting the reimbursement for such examination, inspection or audit, then Concessionaire must reimburse City for reasonable attorneys' fees and litigation expenses as part of the costs incurred.

**5.2.4** Not later than 90 days after each annual anniversary of the Commencement Date, Concessionaire must furnish to the Aviation General Manager an unqualified report, certified by a Certified Public Accountant of the Gross Revenues. Concessionaire must also furnish the Aviation General Manager with such other financial or statistical reports as the Aviation General Manager from time to time may request. Concessionaire's obligation under this Section shall survive termination, cancellation or expiration of this Agreement.

**5.2.5** Upon request by the Aviation General Manager, Concessionaire must furnish to City copies of its quarterly State of Georgia sales and use tax returns covering the Premises as well as Concessionaire's Georgia and federal income tax returns at the time of filing, and any amendments. All copies of such returns must be certified as exact copies of the original documents by a Certified Public Accountant. Tenants shall also promptly notify the Aviation General Manager of and furnish to City copies of any audit reports covering the Premises conducted by the Department of Revenue of the State of Georgia or the Internal Revenue Service. All of the books, records and accounts required by this Section to be maintained by Concessionaire, or true and complete copies of them, shall be maintained by Concessionaire in the Metropolitan Atlanta area.

### **5.3 Revenue Control.**

**5.3.1** All business transactions, which occur in the Premises, must be completed by an approved Point of Sale ("POS") system (e.g., transaction register) and a receipt must be offered to each customer. However, during the Term of the Agreement, including any renewals, the City reserves the right, at its expense, to purchase and/or implement a computerized POS system and to further modify the system from time to time. Concessionaire must cooperate fully in the development and implementation of such a system. Upon implementation, the Aviation General Manager may dictate a new method of collection and payment by providing written notice to Concessionaire. Concessionaire must cooperate with the City in implementing

such modified collection procedures. If the new POS system requires replacement of existing cash registers within the Premises, the City will reimburse Concessionaire for the unamortized cost thereof (based on the then current book value, using the straight-line method of depreciation) less the salvage value of such cash registers. The City will determine the type of registers to be used in the newly implemented POS system.

**5.3.2** In order to facilitate implementation of the POS system, all POS terminals used in the operation of businesses within the Premises must have, at a minimum, the features outlined below:

**5.3.2.1** A minimum of sixty (60) segregated sales categories;

**5.3.2.2** The input device may either be a keyboard, scanner, touch screen, other approved input technology or any combination thereof;

**5.3.2.3** The patron fee display shall be of sufficient size and legibility to be readily observed by the patron during the processing of the transaction;

**5.3.2.4** The POS register, terminal or POS control server(s) shall be capable of secure, encrypted data transmission using TCP/IP or RS-232 communications protocol; and

**5.3.2.5** The register or data collection device shall have a secure transaction audit tape or a detailed digital ASCII transaction journal log file stored on a USB (flash) drive or other suitable media.

**5.3.3** Concessionaire must also comply with the most current Payment Card Industry Data Security Standard (PCI-DSS) requirements as detailed at [https://www.pcisecuritystandards.org/security\\_standards/pci\\_dss.shtml](https://www.pcisecuritystandards.org/security_standards/pci_dss.shtml)

**6. TAXES AND LIENS.** Concessionaire is liable for all taxes levied or assessed against any interest of Concessionaire in the Premises and any improvements, personal property, furniture or fixtures or equipment placed by Concessionaire in the Premises. Concessionaire agrees not to permit or suffer any liens to be imposed upon the Premises, the Airport or any other part of them as a result of its activities without promptly discharging them, provided, however, that Concessionaire may, if Concessionaire so desires, contest the legality of any such liens. In the event of a contest, Concessionaire must provide a bond in an amount and form acceptable to City in order to clear the record of any such liens.

## **7. IMPROVEMENTS**

### **7.1 Approval of Conceptual Design.**

**7.1.1** The initial layout and design of all Concessionaire Improvements to be made or installed within the Premises and any subsequent refurbishments shall conform to the

Department of Aviation Airport Design Criteria (“**Airport Design Criteria**”) which shall be made available to Concessionaire upon the Airport’s website ([www.atlanta-airport.com](http://www.atlanta-airport.com)) and shall be subject to amendment from time to time by the Aviation General Manager.

**7.1.2** Prior to the commencement of initial construction, or subsequent refurbishment of, or other work with respect to Concessionaire Improvements, Concessionaire must submit detailed plans and specifications to the Aviation General Manager for approval. Concessionaire must include with its plans and specifications schematic renderings of the Premises, materials, a color board or boards and a detailed layout of the overall merchandising plan. Approval by City will extend to and include architectural and aesthetic matters and City reserves the right to reject any designs submitted and to require Concessionaire to resubmit designs and layout proposals until they meet City’s approval. The Commencement Date shall not be extended if City elects to reject any designs or layout Proposals submitted. If City and Concessionaire fail to agree on plans and specifications for Concessionaire Improvements within thirty (30) days after the Commencement Date, City may terminate this Agreement.

**7.1.3** In the event of disapproval by City of any portion of the plans and specifications, Concessionaire will promptly submit necessary modifications and revisions. Concessionaire will make no changes or alterations in the plans or specifications after approval, and no structural alterations or improvements will be made to or upon the Premises without the prior written approval of the Aviation General Manager. City agrees to act promptly upon such plans and specifications and upon requests for approval of changes or alterations in the plans or specifications. One copy of plans and specifications for all Concessionaire Improvements or subsequent changes or alterations will, within 15 days after approval by the Aviation General Manager, be signed by Concessionaire and delivered to the City.

## **7.2 Minimum Investment; Base Building Improvements; Reinvestment.**

### **7.2.1 Minimum Investment.**

**7.2.1.1** Within the Premises defined by demising partitions and/or other boundaries described in the Agreement, Concessionaire shall perform all demolition required and shall at its own expense construct all improvements and install all trade fixtures according to the procedures and standards specified in the Airport Design Criteria.

**7.2.1.2** Within thirty (30) days of receiving a certificate of occupancy, Concessionaire is required to submit to the Aviation General Manager as-built drawings.

**7.2.1.3** Within one hundred twenty (120) days of the Commencement Date, or otherwise pursuant to a transition plan approved by the Aviation General Manager, Concessionaire shall decorate and finish to approved standards the interior and exterior of the Premises. The design and theme must be submitted to the Aviation General Manager, and he/she must approve them prior to implementation. The public visible area of the Premises shall be improved at a Minimum Investment of two hundred dollars (\$200.00) per square foot.

In addition, Concessionaire is responsible for demolition necessary to accommodate all improvements. The two hundred dollar (\$200.00) Minimum Investment calculation shall include all construction costs, mechanical, electrical and plumbing (whether in areas visible to the public or not), finishes, furnishings, furniture, casework, or other fixtures, signs, store fronts, as well as all architectural and engineering fees.

**7.2.1.4** Within thirty (30) days of receiving a certificate of occupancy, Concessionaire shall provide the City a statement certified by its architect, setting forth the total construction costs, with appropriate detail showing the costs and useful lives of elements of decoration, furnishings or fixtures. Concessionaire shall make available to Aviation General Manager paid invoices for labor and materials covering all construction and trade fixtures, including furniture, fixtures and architectural and engineering fees. The two hundred dollar (\$200.00) Minimum Investment may not include financial costs, interest, inventory, pre-opening expenses or intra-company charges related to construction. If the actual Investment cost incurred by the Concessionaire is less than the Minimum Investment required, in addition to any other remedy available to the City, Concessionaire will pay the difference to City within sixty (60) days after receipt of Certificate of Occupancy. If the City disputes the amount of investment claimed by Concessionaire, the City may, at its expense, hire an independent appraiser to determine the cost of the investment. If the independent appraiser determines that the investment is less than the minimum required, the difference, as well as City's costs of hiring such independent appraiser, will be paid to the City by Concessionaire within sixty (60) days of the appraiser's determination.

**7.2.1.5** Notwithstanding the work to be performed pursuant to this Section Concessionaire shall begin paying rent on the Commencement Date, and Concessionaire must document any and all costs of Concessionaire Improvements made to the Premises subsequent to the Commencement Date. The documentation must be in a form and detail satisfactory to the Aviation General Manager, and must be submitted for review and approval within thirty (30) calendar days following completion of the work, for the purpose of establishing the unamortized costs of improvements to be reimbursed to Concessionaire in the event of termination for convenience by the City.

**7.2.2 Base Building Improvements.** Concessionaire shall pay all costs for required modifications and/or construction of certain base building conditions necessary to bring the base building concession spaces to a condition ready to receive Concessionaire Space Improvements. Improvements shall include but not be limited to the following: demolition of existing storefronts and finishes and removal of debris, construction or relocation of demising partitions, construction of servicing/delivery corridors or other support spaces, and extension or modification of building systems or other work. In locations in which construction of service corridors will be necessary to improve operations at the Airport, the required corridors shall be constructed by the Concessionaire.

**7.2.3 Minimum Reinvestment.** As provided in the Section entitled "Renewals," this Agreement shall be subject to a single three (3) year renewal at the option of the City. If the

renewal option is exercised, the City will notify the Concessionaire of its intention to renew within thirty (30) days of the end of the fifth (5<sup>th</sup>) anniversary of the Commencement Date. In such case, Concessionaire will be required to refurbish the public areas of the Premises at a minimum cost of one hundred dollars (\$100.00) per square foot within one hundred and twenty (120) days of the execution of the Renewal or within such longer time period as may be approved by the Aviation General Manager. If the City disputes the amount of reinvestment claimed by Concessionaire, the City may, at its expense, hire an independent appraiser to determine the cost of the reinvestment. If the independent appraiser determines that the reinvestment is less than the minimum required, the difference, as well as City's costs of hiring such independent appraiser, will be paid to the City by Concessionaire within sixty (60) days of the appraiser's determination.

**7.2.4 Liquidated Damages.** Failure by Concessionaire to complete the construction in the timeframe as outlined in section 7.2.1.3 as required during the term and the renewal shall result in the payment of liquidated damages of Five Thousand Dollars (\$5,000.00) per day, which shall be in addition to the payment of the required Rent and which the parties acknowledge is a reasonable estimate of the damage incurred by the City for such delay. Failure by the Concessionaire to complete the construction in the timeframe as outlined in section 7.2.3 as required during the renewal shall result in the payment of liquidated damages of Three Thousand Dollars (\$3,000.00) per location per day, which shall be in addition to the payment of the required Rent and which the parties acknowledge is a reasonable estimate of the damage incurred by the City for such delay.

### **7.3 Construction of Concessionaire Improvements.**

**7.3.1** Concessionaire must, at its sole cost and expense, design, erect, construct and install all of the following ("**Concessionaire Improvements**"): fixtures, furnishings, carpeting, decorations, finishing, equipment, counters, and all other improvements for the operation of business within the Premises pursuant to this Agreement.

**7.3.2** Concessionaire must perform all demolition required and construct and install all Concessionaire Improvements at its own expense and shall hire contractors that are acceptable to City. Prior to the commencement of any construction work, Concessionaire must provide to City a fixed price contract or contracts for all work to be performed within the Premises, which contract(s) shall be insured by, and Concessionaire must provide to City, a payment and performance bond in an amount equal to one hundred percent (100%) of the total contract value of such contract. Concessionaire must also comply with all other requirements of **Appendix B**.

**7.3.3** City's sole responsibility with regard to improvements within the Premises shall be to deliver the Premises to Concessionaire in the condition set forth in the Airport Design Criteria. Concessionaire may not undertake any work within or about the Premises unless City, pursuant to the Airport Design Criteria, approves such work. Prior to the commencement of any work, Concessionaire must confirm to the Aviation General Manager in writing that: (1)

Concessionaire accepts the Premises for the intended uses; and (2) the Premises are in the condition set forth in the Airport Design Criteria.

#### **7.4 Utilities.**

**7.4.1 Utility Connections.** The City will provide the source for certain utility connections for the concession spaces as specified in the Airport Design Criteria. Generally, electrical service will be provided to each concession's rear or side demising wall and stubbed off. Connection and distribution throughout the concession space shall be at the Concessionaire's expense. All utilities to the concession space will be separately metered.

**7.4.2** Concessionaire must pay the whole cost for all utility services as invoiced to Concessionaire by the Airport or its designee and for such other special services which it may require in the Premises, and Concessionaire expressly waives the right to contest any utility rates; provided that Concessionaire will not be charged for the supply of heat, ventilation, and air conditioning for the Premises, except as may be otherwise required as referenced below.

**7.4.3 Heating, Ventilation and Air Conditioning ("HVAC").** The City will provide the base system for HVAC. However, Concessionaire will be required to install separate equipment for HVAC requirements specifically related to Concessionaire's operations. In such event, Concessionaire will pay for utility usage in the concession spaces for HVAC requirements. Concessionaire will pay for all utilities without exception necessary in the operation of its business including telephone, electricity, water, sewage, gas and other fuels. All charges including but not limited to deposits and all service charges for utility services metered directly to the concession space must be paid by Concessionaire, regardless of whether such utility services are furnished by the City or other utility service corporations.

**7.5 Waiver of Damages.** Concessionaire expressly waives all claims for damages arising out of or resulting from failures or interruptions of utility services furnished by City including, but not limited to, electricity, water, plumbing, sewage, telephone, communications, heat, ventilation, air conditioning, or for the failure or interruption of any public or passenger conveniences.

**7.6 Maintenance and Repair.** Concessionaire agrees, at its own expense, to keep the Premises and all Concessionaire Improvements in good repair and in a clean, neat, safe and sanitary condition and in good order at all times. If it becomes reasonably necessary during the Term of this Agreement, as determined by the Aviation General Manager, Concessionaire will, at its own expense, redecorate and paint fixtures and the interior of the Premises and improvements, and replace fixtures, worn carpeting, curtains, blinds, drapes, or other furnishings. Additionally, Concessionaire shall pay its pro rata share of Airport Operations and Maintenance ("**O&M**") costs to be billed monthly by the City or its designee.

**7.6.1 Janitorial Service.** Concessionaire will provide sufficient janitorial services to ensure that the Premises is at all times maintained in a clean attractive and sanitary manner

including, but not limited to, equipment, utensils, fixtures, grease traps, service counters and display units.

**7.6.2 Pest Control.** At any time during the Term of this Agreement, the Aviation General Manager may require Concessionaire to use the pest-exterminating contractor engaged by the Airport to implement a comprehensive, ongoing pest control program. In such case, Concessionaire shall be required to provide the City with reports indicating compliance with pest control standards, in such form as the Aviation General Manager may dictate from time to time and shall be required to maintain manifest reports on file at each store, at all times.

**7.7 Advertising.** Concessionaire may, at its own expense, install and operate necessary and appropriate identification signs on the Premises, subject to the approval of the Aviation General Manager as to the number, size, height, location, color and the general type and design. Such approval shall be subject to revocation by the Aviation General Manager at any time. Without express written consent of the Aviation General Manager, Concessionaire may not display any advertising, promotional or informational pamphlets, circulars, brochures or similar materials.

## **8. LIABILITY AND INDEMNITY**

**8.1 City's Liabilities.** City will not be liable or responsible to Concessionaire for any loss, damage or expense that Concessionaire may sustain or incur if either the quantity or character of any services to be provided by City is changed or is no longer available or is no longer suitable for Concessionaire's requirements. City will not be liable or responsible to Concessionaire for any loss, damage or expense arising out of, resulting from, relating to or concerning, directly or indirectly, acts of terrorism, including, but not limited to, any loss, damage or expense sustained or incurred by Concessionaire as a result of:

**8.1.1** a change in the Airport's or Concessionaire's business resulting from such terrorist acts;

**8.1.2** the enactment of laws responding to or concerning such terrorist acts; or

**8.1.3** any other detrimental effect upon Concessionaire or its business resulting from such terrorist acts.

**8.2 Indemnity and Hold Harmless.** Concessionaire agrees to defend, indemnify and hold harmless City, including, but not limited to, its officers, agents, officials and employees (collectively, "**Indemnified Parties**") from and against:

**8.2.1** any liability for injuries to or deaths of persons or damage to property arising from Concessionaire's activities under this Agreement or in or about the Premises; and

**8.2.2** any loss, expense, demand, suit or claim against the Indemnified Parties sustained or alleged to have been sustained arising out of or relating to the negligence or willful misconduct of Concessionaire or any other individual or entity under Concessionaire's control (contractual or otherwise) and their officers, agents or employees; and

**8.2.3** any loss, expense, demand, suit or claim against the Indemnified Parties sustained or alleged to have been sustained arising out of or relating to any liens or charges of any kind that may at any time be established against the Premises or this Agreement, or any part of it, as a consequence of any act or omission of Concessionaire or as a consequence of the existence of Concessionaire's interest under this Agreement; and

**8.2.4** any loss, expense, demand, suit or claim against the Indemnified Parties sustained or alleged to have been sustained arising out of or relating to Concessionaire's violation or alleged violation of the Section entitled "Hazardous Materials." This indemnification obligation includes, but is not limited to fines assessed against Concessionaire, City, or others for whom City may be responsible, diminution in value of the Airport, damages for the loss of use of rentable or usable space or of any amenity of the Airport, damages arising from any adverse impact on marketing of space in the Airport, and sums paid in settlement of claims, attorneys' fees, consultant fees, and expert fees which arise during or after the Term of this Agreement, including any renewals, as a result of such violation. This indemnification of City by Concessionaire also includes, without limitation, costs incurred in connection with any investigation of site conditions or any cleanup, remediation, removal, or restoration work required by any federal, state or local governmental agency or political subdivision because of Hazardous Material present in the soil or ground water on or under the Airport which results from such a violation; and

**8.2.5** any loss, claim, damage, action or suit alleging that any good and/or service sold by Concessionaire infringes upon one or more United States Patents, copyrights or trademarks owned by anyone other than Concessionaire, or violates any provision of the Lanham Act.

**8.3 Indemnity Not Limited by Applicable Insurance.** Concessionaire further agrees that this agreement to indemnify and hold harmless the Indemnified Parties will not be limited to the limits or terms of the liability insurance, if any, required under this Agreement.

**8.4 Survival.** This Section entitled "Indemnity and Hold Harmless" shall survive any cancellation, termination or expiration of this Agreement.

**9. INSURANCE AND BONDING.** Concessionaire must comply with all insurance and bonding requirements set forth in **Exhibit D**.

## **10. DAMAGE OR DESTRUCTION**

### **10.1 Partial Destruction of the Premises.**

**10.1.1 Insured Damage.** If the Premises is damaged by any casualty which is insurable and insured under an insurance policy of the type required to be maintained by Concessionaire pursuant to this Agreement, regardless of whether the Premises is tenantable or practically usable for the purpose for which it was formerly used, then Concessionaire must repair such damage as soon as reasonably possible and this Agreement will continue in full force and effect.

**10.1.2 Uninsured Damage.** If the Premises is damaged by any casualty not insurable under an insurance policy of the type required to be maintained pursuant to this Agreement, and such casualty is not caused by an act or omission of Concessionaire, its agents, servants or employees, then City's options are, either:

**10.1.2.1** repair such damage as soon as reasonably possible at City's expense, in which event this Agreement will continue in full force and effect; or

**10.1.2.2** give written notice to Concessionaire within thirty (30) days after the date of occurrence of such damage of City's intention to terminate this Agreement effective as of the date of the occurrence of the damage. If City elects to terminate this Agreement, Concessionaire will have the right, within ten (10) days of the date of the City's notice to notify, City in writing of Concessionaire's intention to repair such damage. If Concessionaire fails to repair the damage to City's satisfaction within a reasonable period of time, this Agreement will automatically terminate effective as of the date of the occurrence of such damage.

**10.1.3** In no event shall City be required to repair any injury or damage of fire or other cause, or to make any restoration or replacement of any paneling, decorations, office fixtures, partitions, railings, ceilings, floor covering, equipment, machinery or fixtures or any other improvements or property installed in the Premises by Concessionaire or at the direct or indirect expense of Concessionaire. Concessionaire must restore or replace the same in the event of damage provided that this Agreement is not terminated pursuant to this Section.

**10.1.4** If the Premises is damaged by any casualty not insurable under an insurance policy of the type required to be maintained pursuant to this Agreement, and such casualty is caused by an act or omission of Concessionaire, its agents, servants or employees, then Concessionaire must repair the damage to the City's satisfaction within a reasonable period of time, in which event this Agreement will continue in full force and effect.

**10.2 Total Destruction of Premises.** If the Premises is totally destroyed during the Term of this Agreement, including any renewals, from any cause whether or not covered by the insurance required under this Agreement (including any destruction required by any authorized public authority), this Agreement will automatically terminate, effective as of the date of such total destruction.

**10.3 Partial Destruction of Concourse.** If fifty percent (50%) or more of any concourse on which the Premises is located is damaged or destroyed by an insured risk, or if fifteen percent (15%) or more of any concourse on which the Premises are located is damaged or destroyed by

an uninsured risk, notwithstanding that the Premises may be unaffected, City may, but is not obligated to, terminate this Agreement within ninety (90) days from the date of occurrence of such damage or destruction. If the City elects to terminate this Agreement within such ninety (90) day period, it will notify Concessionaire in writing and the termination will be effective upon the date of such notice. After the Agreement is terminated, Concessionaire must surrender the Premises to City within ten (10) days.

**10.4 Damage During Last Year of Term or Renewal Period.** If during the last year of the Term, including any renewal term, the Premises are partially destroyed or damaged and are not covered under an insurance policy required to be maintained pursuant to this Agreement, City may terminate this Agreement, effective as of the date of occurrence of such damage, by giving written notice to Concessionaire within thirty (30) days after the date of occurrence of such damage. If City elects to terminate this Agreement, Concessionaire will have the right, within ten (10) days of the date of the City notice, to notify City in writing of Concessionaire's intention to repair such damage at Concessionaire's expense, without reimbursement from City, in which event this Agreement shall continue in full force and effect and Concessionaire must proceed to make such repairs as soon as reasonably possible.

#### **10.5 Reduction of Rent; Concessionaire's Remedies.**

**10.5.1** If the Premises are partially destroyed or damaged physically and the City is obligated to repair the Premises pursuant to this Agreement, the rent attributable to such partially destroyed or damaged Premises and payable for the period during which such damage and repair continues will be reduced in proportion to the extent to which Concessionaire's use of the Premises is impaired, calculated on a square foot basis, in accordance with the discretion and determinations of the Aviation General Manager. For example, if one-half (1/2) of the Premises is unusable by Concessionaire as a result of such physical damage or destruction, then the rent payable for each month during which it exists and is being repaired will be reduced by one-half (1/2). Except for a reduction rent (if any), Concessionaire shall have no claim against the City for any damage suffered by reason of any such damage, destruction or repair.

**10.5.2** If the City shall be obligated to repair the Premises under this Section and shall not commence such repair or restoration within forty-five (45) days after such obligation shall accrue, Concessionaire at Concessionaire's option may cancel and terminate this Agreement by written notice to the City at any time prior to the commencement of such repair. In such event this Agreement shall terminate as of the date of such notice.

#### **11. Reduction in Rent Due to Changes in Enplanements.**

**11.1 Definitions:** These definitions apply to this Section entitled "Reduction in Rent Due to Changes in Enplanements":

**11.1.1** “Affected Concourse” means a Concourse in which Concessionaire operates Concessions under the Agreement and is limited to Concourses E and F, and the Atrium, if applicable.

**11.1.2** “Atrium” means the facility at the Airport located between the North and South Terminals at which the Airport’s Main Security Checkpoint is located.

**11.1.3** “Enplaned Passenger” means and includes each passenger boarding an airplane from an Affected Concourse, whether such passenger has paid a fare for his/her ticket, is flying on frequent flyer miles, boards under a buddy pass, or otherwise.

**11.1.4** “Year” means a three hundred and sixty-five (365) day period beginning on the effective date of the Agreement. For example, a Year under an Agreement effectively dated January 1, 2010, will be the period from January 1, 2010, through December 31, 2010, and a Year under an Agreement effectively dated August 1, 2010, will be the period from August 1, 2010, through July 31, 2011.

## **11.2 Reduction in Enplaned Passengers; Reduction of MAG.**

### **11.2.1 Rules Applicable to Concessions Located in Concourses.**

**11.2.1.1** If the total number of Enplaned Passengers departing an Affected Concourse, as documented by the City’s Department of Aviation in monthly reports received from Airlines departing flights from such Affected Concourse, for any whole month in the second or any subsequent Year during the term of the Agreement decreases by more than twenty-five percent (25%) from the same month of the previous Year, then MAG rent payments due under this Agreement will be reduced (the “Reduction”) in the following manner:

**11.2.1.1.1 MAG Monthly Installment:** the monthly installment of the MAG due for the following month (and for that month only) will be reduced by the month over month percentage decrease in the number of Enplaned Passengers for the month experiencing the decrease; and

**11.2.1.1.2 Agreement Year MAG:** the Minimum Annual Guarantee for the Agreement Year in which the reduced monthly payment amount falls will also be reduced by the dollar amount by which the monthly installment of the MAG was reduced. The same test and calculation shall apply each month thereafter until the first month that the reduction in Year over Year monthly enplanements is less than twenty-five percent (25%) at which time the adjusted MAG in effect prior to the adjustment provided for herein shall be reinstated.

**11.3 Calculation Examples.** For example, if the number of Enplaned Passengers for the month of July 2011 declined by thirty percent (30%) over the number of Enplaned Passengers for the month of July 2010, then:

**11.3.1** the MAG amount payable for the month of August 2011 will reduce by thirty percent (30%);

**11.3.2** the MAG for the Agreement Year in which August 2011 falls will decrease by the dollar amount of the reduction.

**11.4 Submission of Claim for Reduction; Reduction Only Available if Concessionaire is Paying MAG; Reduction Not Available if Concessionaire is Paying Percentage Rent.** Claims for a Reduction may only be submitted quarterly and may only include entire monthly periods. Reduction in Enplaned Passengers for partial monthly periods will not qualify for a Reduction. If, during any month in which Enplaned Passengers are reduced, Concessionaire is required to pay percentage rent, a claim for a Reduction will not be available. A claim for a Reduction must be submitted by the last day of the month following the last month in the quarter for which a Reduction is sought. For example, if there is a reduction in the number of Enplaned Passengers for an Affected Concourse or the Airport as a whole (depending on the location of the affected Premises) beginning on August 15, 2012, and continuing through December 31, 2012, a claim for a Reduction may only be made for the months of September, October, November and December 2012, and must be submitted by January 31, 2013.

**11.5 Certification of Claim for a Reduction.** If Concessionaire desires to submit a claim for a Reduction, it must submit on forms developed by DOA.

## **12. DEFAULT BY TENANT**

**12.1 Events of Default.** Concessionaire will be in default under this Agreement if:

**12.1.1** Concessionaire fails to pay rent or any other payment required under this Agreement when due to City, and that failure continues for a period of thirty (30) days after such rent or other payment is due whether or not the City has invoiced or provided Concessionaire with notice of any amount due or overdue; or

**12.1.2** Concessionaire does any of the following:

**12.1.2.1** becomes insolvent, or seeks the benefit of any present or future insolvency statute.

**12.1.2.3** files a voluntary petition in bankruptcy.

**12.1.2.4** files a petition or answer seeking an arrangement for its reorganization or the readjustment of its indebtedness under the federal bankruptcy laws, or under any other law or statute of the United States or of any other State.

**12.1.2.5** consents to the appointment of a receiver, trustee, or liquidator of any of its property.

**12.1.2.6** files a petition under any part of the federal bankruptcy laws, or an action under any present or future insolvency law or statute, is involuntarily filed against Concessionaire and not dismissed within sixty (60) days after the filing.

**12.1.2.7** transfers its interest under this Agreement, without the prior written approval of City, by reason of death, operation of law, assignment, sublease agreement or otherwise, to any other person, firm or corporation.

**12.1.2.8** abandons, deserts or vacates the Premises, including, but not limited to, ceasing to provide its services at the Premises for thirty (30) days or more.

**12.1.2.9** files any lien against the Premises because of any act or omission of Concessionaire, and is not discharged by Concessionaire by payment, bond or otherwise within twenty (20) days after receipt of notice of the lien by Concessionaire.

**12.1.2.10** fails to comply with the requirements set forth in **Appendix D**; Insurance and Bonding Requirements.

**12.1.2.11** fails to keep, perform or observe any term, covenant or condition of this Agreement.

**12.1.2.12** uses or gives its permission to any person to use any portion of Premises for any illegal purpose or purpose in violation of this Agreement.

**12.1.2.13** (including any venture partner of Concessionaire), or any of their respective officers, directors, principal shareholder(s) or affiliates, is convicted of or pleads guilty to any crime in any way related to the operation of the Premises or the Airport or a public sector, governmental or quasi-governmental project or contract or related to the safety and/or security of any Airport, governmental entity or its citizens. For purposes of this Agreement:

**12.1.2.13.1** “Principal Shareholder” means an owner of shares (or equity interest, if other than a corporation) representing 10% of the voting control and/or participation (through dividends or other distributions) in the profits of an entity.

**12.1.2.13.2** “Affiliate” means any person or entity which directly or indirectly controls or is controlled by, or is under common control with an entity.

**12.1.2.13.3** “Control” or “Controlling” means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a person or entity whether through the ownership of voting securities, by contract or otherwise.

**12.1.2.14** intentionally or willfully misrepresents to City any material fact.

**12.1.2.15** made any material misrepresentation or failed to make full and accurate disclosure to City in the documents, questionnaires and other materials submitted by Concessionaire with its Proposal pursuant to which this Agreement was awarded to Concessionaire, or failed to comply with all requirements, including without limitation, the ethical standards policy, set forth in the RFP.

**12.1.2.16** acts or fails to act results in the suspension or revocation of, for a period of more than thirty (30) days, of any rights, powers, licenses, permits or authorities necessary for the operation of its business at the Premises.

**12.1.2.17** fails to pay any lawful tax or assessments required to be paid under this Agreement.

**12.2 City's Remedies.** If Concessionaire is in default, City will notify Concessionaire in writing of the nature of the default. If Concessionaire, where a specific time period for the cure is provided in the applicable subsection of this Agreement, does not cure the default within that period or, where a time period for the cure is not specifically provided in the applicable subsection, does not cure the default within seven (7) days from receipt of notice from City, City may, without notice to Concessionaire's sureties, if any, elect to exercise any of the following remedies:

**12.2.1** Allow this Agreement to continue in full force and effect and to enforce all of City's rights and remedies under it, including, without limitation, the right to assess fines and the right to collect rent as it becomes due together with interest at the rate of one and one half percent (1.5%) per month.

**12.2.2** Continue this Agreement in full force and effect and enter the Premises and relet all or any portion of it to other parties for Concessionaire's account. Concessionaire must pay to City on demand all costs City incurs in entering the Premises and reletting it, including, without limitation, brokers' commissions, and expenses for repairs and remodeling, attorneys' fees and all other actual costs. Reletting may be for a period shorter or longer than the remaining Term. During the term of any reletting, Concessionaire must pay to City the rent due under this Agreement on the date due, less any net rents City receives from any reletting.

**12.2.3** Terminate Concessionaire's rights under this Agreement at any time and recover from Concessionaire all costs, expenses, losses and damages recoverable under this Agreement or applicable law as a result of Concessionaire's default and the termination.

**12.2.4** Cure any default at Concessionaire's cost. If City at any time, by reason of Concessionaire's default, pays any sum to cure any default, the sum paid by City shall be immediately due from Concessionaire to City on demand, and shall bear interest at the rate of

one and one-half percent (1.5%) per month from the date paid by City until the date City is fully reimbursed by Concessionaire.

**12.2.5** Exercise any and all other rights or remedies available under this Agreement or at law or in equity.

**12.3 Concessionaire Not in Default.** If, after termination for default, it is determined for any reason that Concessionaire was not in default, the rights and obligations of the parties will be the same as if the Agreement had been terminated pursuant to the Section entitled “Termination for Convenience.”

#### **12.4 Security Interest.**

**12.4.1** In addition to the statutory landlord’s lien, Concessionaire grants to City a valid security interest in all goods, wares, equipment, fixtures, furniture, improvements and other personal property located now or in the future within the Premises, including the proceeds of such items, to secure payment of all rentals and other sums of money becoming due from Concessionaire under this Agreement, and to secure payment of any damages or losses that City may suffer by reason of the breach by Concessionaire of this Agreement. Concessionaire may not remove such goods, wares, equipment, fixtures, furniture, improvements and other personal property located now or in the future within the Premises from the Premises without the written consent of City until all arrearages in rent, as well as any other sums of money then due to City under this Agreement, have been paid and discharged and all the covenants, agreements and conditions of this Agreement have been fully complied with and performed by Concessionaire.

**12.4.2** Upon the occurrence of an event of default by Concessionaire, City may, in addition to any other remedies provided in this Agreement, enter upon the Premises and take possession of any goods, wares, equipment, fixtures, furniture, improvements and other personal property of Concessionaire situated on the Premises, without liability for trespass or conversion, and sell them at public or private sale, with or without having such property at the sale, after giving Concessionaire reasonable notice of the time and place of any public sale or of the time after which any private sale is to be made, at which sale City or its assigns may purchase the property unless otherwise prohibited by law. The requirement of reasonable notice to Concessionaire will be met if such notice is given in the manner prescribed in the Section entitled “Notices”, at least 5 days before the date of the sale.

**12.4.3** The proceeds from any such sale, less any expenses of the City connected with the taking of possession, holding and selling of the property (including reasonable attorneys’ fees and other expenses), will be applied as a credit against the debts payable by Concessionaire, or as otherwise required by law; and Concessionaire will pay any deficiencies immediately.

**12.4.4** Upon request by City, Concessionaire agrees to execute and deliver to City a financing statement in a form sufficient to perfect the security interest of City in the property and the proceeds under the provisions of the Uniform Commercial Code in force in the State of Georgia. By accepting a grant of the security interest set forth herein, the parties agree that the City is not waiving its rights under any statutory lien for the payment of rent granted under this Agreement or applicable law.

### **13. TERMINATION**

**13.1 Termination by City for Cause.** City may at its option, by giving written notice to Concessionaire, terminate this Agreement:

**13.1.1** for a material breach of the Agreement by Concessionaire that is not cured by Concessionaire within seven (7) days of the date on which City provides written notice of such breach;

**13.1.2** immediately for a material breach of the Agreement by Concessionaire that is not reasonably curable within seven (7) days;

**13.1.3** immediately upon written notice for numerous breaches of the Agreement by Concessionaire that collectively constitute a material breach or reasonable grounds for insecurity concerning Concessionaire's performance; or

**13.1.4** immediately for engaging in behavior that is dishonest, fraudulent or constitutes a conflict of interest with Concessionaire's obligations under this Agreement or is in violation of any City Ethics Ordinances.

**13.2 Re-procurement Costs.** In addition to all other rights and remedies City may have, if this Agreement is terminated by City pursuant to the above subsection entitled "**Termination by City for Cause,**" Concessionaire will be liable for all costs in excess of the Charges for all terminated Services reasonably and necessarily incurred by City in the completion of the Services, including the cost of administration of any agreement awarded to other Persons for completion. If City improperly terminates this Agreement for cause, the termination for cause will be considered a termination for convenience in accordance with the provisions of the Section entitled "**Termination by City for Convenience.**"

**13.3 Termination by City for Insolvency.** City may terminate this Agreement immediately by delivering written notice of such termination to Concessionaire if Concessionaire: (a) becomes insolvent, as that term may be defined under Applicable Law, or is unable to meet its debts as they mature; (b) files a voluntary petition in bankruptcy or seeks reorganization or to effect a plan or other arrangement with creditors; (c) is adjudicated bankrupt or makes an assignment for the benefit of its creditors generally; (d) fails to deny or contest the material allegations of an involuntary petition filed against it pursuant to any Applicable Law relating to bankruptcy, arrangement or reorganization, which is not dismissed within sixty (60) days; or (e) applies for or consents to the appointment of any receiver for all or any portion of its property.

### **13.4 Termination by City for Convenience.**

**13.4.1** The City shall have the right to terminate the Agreement without cause at any time during the Term by giving written notice to Concessionaire at least 30 days prior to the date such termination is to be effective. Should the City terminate the Agreement prior to its expiration, the City shall reimburse the Concessionaire for the reasonable and proper unamortized costs of the capital Improvements, made by or at the cost of the Concessionaire, and approved in writing by the Aviation General Manager. Concessionaire must document the costs of any and all capital Improvements in a form and detail satisfactory to the Aviation General Manager and submit same within thirty (30) calendar days following completion of the work for review and approval, for the purpose of establishing the unamortized costs of the Improvements. The capital costs of the Improvements shall be amortized based upon a straight-line depreciation schedule over the initial Term of the Agreement, with zero salvage value.

**13.4.2** Reimbursement for unamortized costs of capital improvements shall be the Concessionaire's sole remedy in the event of Termination by City for Convenience. Concessionaire hereby waives any claims for damages, including loss of anticipated profits, in the event that the City terminates the Agreement for convenience.

**13.5 Termination for Lack of Appropriations.** If, during the Term of this Agreement, legislation establishing a Maximum Payment Amount for the following year is not enacted, this Agreement will terminate in its entirety on the last day of the term for which a Maximum Payment Amount has been legislatively authorized.

**13.6 Effect of Termination.** Unless otherwise provided herein, termination of this Agreement, in whole or in part and for any reason, shall not affect: (a) any liabilities or obligations of either Party arising before such termination or out of the events causing such termination; or (b) any remedies to which a Party may be entitled under this Agreement, at law or in equity. Upon termination of this Agreement, Concessionaire shall immediately: (i) discontinue Services on the date and to the extent specified in the notice and place no further purchase orders or subcontracts to the extent that they relate to the performance of the terminated Services; (ii) inventory, maintain and turn over to City all work product, licenses, equipment, materials, plant, tools, and property furnished by Concessionaire or provided by City for performance of the terminated Services; (iii) promptly obtain cancellation, upon terms satisfactory to City, of all purchase orders, subcontracts, rentals or any other agreements existing for performance of the terminated Services, or assign those agreements, as directed by City; (iv) comply with all other reasonable requests from City regarding the terminated Services; and (v) continue to perform in accordance with all of the terms and conditions of this Agreement any portion of the Services that are not terminated.

## **14. FINES FOR VIOLATIONS**

**14.1** If Concessionaire defaults under or violates material provisions of this Agreement, in lieu of, or in addition to, any other available remedy, the Aviation General Manager may elect to impose the charges described below on a per diem basis per infraction, as follows:

**14.1.1** Violation of Premises Use;

**14.1.2** Failure to maintain required hours of operation;

**14.1.3** Failure to submit required documents and reports;

**14.1.4** Failure to remedy Customer Service, Cleanliness, Quality Assurance, Operations, and/or Facility standard;

**14.1.5** Infractions within 48 hrs. notice (as measured from the date of each written notification);

**14.1.6** Failure to provide pest control records on a monthly basis and/or display manifest reports on file in each store;

**14.1.7** Unauthorized Advertising Signage (defined as written, printed blade or storefront); or

**14.1.8** Destruction of Airport public facility deemed caused by associates or associate travel in unauthorized areas;

**14.1.9** Failure to comply with any and all published DOA, basic terms of the Agreement, federal, state, local policies, regulations, the Code, directives or standards.

First offense of any infraction listed above may result in a charge of \$500, second offence may result in a charge of \$750, and third offense may result in charge of \$1,000. Repeated violation of the above-listed infractions may result in the Concessionaire being in default of the Agreement.

**15. UNAUTHORIZED ACCESS.** Concessionaire is responsible for preventing unauthorized persons from gaining access to restricted areas of the Airport or any other part of the Airport through the Premises or any door under Concessionaire's control. If federal security regulations are violated as a result of trespass by unauthorized persons into restricted areas of the Airport or any other part of the Airport through the Premises or any door under Concessionaire's control, or if such door is left unsecured in violation of federal security regulations, and City is subjected to any liability, including, but not limited to, a fine(s) by the Transportation Security Administration, Concessionaire must reimburse City for the full amount of such fines promptly upon receipt of an invoice from City and pay for any liability assessed against City as a result of such unauthorized access.

## **16. SURRENDER OF PREMISES**

**16.1** Concessionaire must yield and deliver peaceably to City possession of the Premises and all Concessionaire improvements in good condition, reasonable wear and tear accepted, upon the expiration or earlier termination of this Agreement.

**16.2** Concessionaire must remove Concessionaire's signs and trade fixtures from the Premises and must surrender the Premises in clean, orderly and presentable condition. City will retain Concessionaire's Performance and Payment Bond(s) or other securities required under **Appendix B** until such time as all conditions of this Agreement have been satisfied, all keys to the Premises are delivered to the Aviation General Manager by Concessionaire, the Aviation General Manager determines that the Premises are clean and in good repair and the applicable period for filing liens or other claims has passed. Concessionaire will be liable to City for City's costs for storing, removing and disposing of any alterations or Concessionaire's personal property, and of restoration of the Premises.

## **17. OWNERSHIP OF INFORMATION; CONFIDENTIALITY**

**17.1** All reports, information, data or other documents given to, prepared by or assembled by Concessionaire arising out of the work performed under this Agreement are the exclusive property of City – with the exception of employee data covered under the Privacy Act – and will be kept confidential and may not be made available to any individual or organization by Concessionaire without the prior written approval of City, provided however that these provisions shall not apply to data that is in the public domain; was previously known to Concessionaire; or was independently acquired by Concessionaire from third parties who are under no obligation to City to keep said data and information confidential. These provisions shall not apply to information in whatever form that comes into the public domain through no fault of Concessionaire, nor shall they be interpreted in any way to restrict Concessionaire from complying with a legally enforceable court order to provide information or data; provided, however, Concessionaire shall immediately place City on notice of such court order to permit City the opportunity to determine whether a protective order shall be filed. This restriction includes, but is not limited to, press releases, presentations, promotional materials and other public disclosures.

**17.1.1** Except as provided in the preceding paragraph, Concessionaire shall keep confidential, and shall require its employees, agents, subordinates, subcontractors, or sublessees to keep confidential all information disclosed by City or its consultants to Concessionaire or developed by Concessionaire or Concessionaire's employees, agents, subordinates, subcontractors, or sublessees in the performance of services hereunder. Disclosure of any such information shall constitute a material breach of this Agreement and shall entitle City to recover from Concessionaire any damages City incurs because of such breach.

**17.1.2** City shall have the right to any specifications, computer programs, technical reports, operating manuals and similar work product developed and paid for under this Agreement. If research or development is furnished in connection with the performance of this Agreement and if in the course of such research or development patentable subject matter is produced by Concessionaire, its officers, agents, employees, subcontractors, or sublessees, City shall have, without cost or expense to it, an irrevocable, nonexclusive royalty-free license to make, have made and use, either itself or by anyone on its behalf, such subject matter in connection with any activity now or hereafter engaged in or permitted by City. Promptly upon request by City, Concessionaire shall furnish or obtain from the appropriate person a form of license satisfactory to City, but it is expressly understood and agreed that, as between City and Concessionaire the license herein provided for shall nevertheless arise for the benefit of City immediately upon the production of said subject matter, and shall not await formal exemplification in a written license agreement as provided for above. Such license agreement may be transferred by City to its successors immediate, or otherwise, in the operation or ownership of any real or personal property now or hereafter owned or operated by City, but such license shall not be otherwise transferable.

**17.1.3 Georgia Open Records Act.** Information provided to the City is subject to disclosure under the Georgia Open Records Act (“**GORA**”). Pursuant to O.C.G.A. § 50-18-72(a)(34), “[a]n entity submitting records containing trade secrets that wishes to keep such records confidential under this paragraph shall submit and attach to the records an affidavit affirmatively declaring that specific information in the records constitute trade secrets pursuant to Article 27 of Chapter 1 of Title 10 [O.C.G.A § 10-1-760 et seq.]”

## **18. HAZARDOUS MATERIALS**

**18.1** Concessionaire shall not cause or permit any Hazardous Material to be brought, kept or used in or about the Premises or the Airport by Concessionaire, its agents, employees, contractors, or invitees. Without limiting the foregoing, if the presence of any Hazardous Material in the Airport caused or permitted by Concessionaire results in any contamination of the Airport, Concessionaire shall promptly take all actions at its sole expense as are necessary to return the Airport to the conditions existing prior to the introduction of such Hazardous Material to the Airport; provided that City’s approval of such actions, and the contractors to be used by Concessionaire in connection therewith, shall first be obtained.

**18.2** The term “Hazardous Material” means any hazardous or toxic substance, material, or waste, which is or becomes regulated by any local governmental authority or the United States Government. The term “Hazardous Material” includes, without limitation, any material or substance which is (i) defined as a “hazardous waste,” “extremely hazardous waste,” or “restricted hazardous waste” or similar term under any laws now or hereafter enacted by the United States or the State of Georgia or any political subdivision thereof, or (ii) designated a “hazardous substance” pursuant to the Federal Water Pollution Control Act, 33 U.S.C. § 1317, or (iii) defined as a “hazardous waste” pursuant to the Federal Resource Conservation and Recovery Act, 42 U.S.C. § 6901 et seq., or (iv) defined as a “hazardous substance” pursuant to

the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. § 9601 et seq.

**18.3** In addition to, and independent of any other right of entry provided herein, City and its employees, representatives and agents shall have access to the Premises during reasonable hours and upon reasonable notice to Concessionaire in order to conduct periodic environmental inspections and tests of Hazardous Material contamination in the Premises.

**19. AIRPORT SECURITY REQUIREMENTS.** Concessionaire shall comply, at its own expense, with the TSA and the City's security requirements for the Airport including, but not limited to employee training and badging. Concessionaire shall cooperate with the TSA and the City on all security matters and shall promptly comply with any project security arrangements established by City. Compliance with such security requirements shall not relieve Concessionaire of its responsibility for maintaining proper security for the above-noted items, nor shall it be construed as limiting in any manner Concessionaire's obligation with respect to all applicable federal, state and local laws and regulations and its duty to undertake reasonable action to establish and maintain secure conditions at and around the Premises and throughout the Airport. Additional airport security information is available on the Airport Security's web site: ([www.atlanta-airport/business/security](http://www.atlanta-airport/business/security)). See also **Appendix D**, attached hereto and incorporated herein.

**20. CITY POLICIES; Airport Concessions Disadvantaged Business Enterprise (ACDBE) BUSINESS PARTICIPATION AND NON-DISCRIMINATION PROVISIONS.**

**20.1 City's Required Policies.** Concessionaire acknowledges that Concessionaire has reviewed, is familiar with and agrees to comply with:

**20.1.1** City's Airport Concessions Disadvantaged Business Enterprise Policy (See **Appendix A**); as the same may be amended from time to time by the City, Georgia Department of Transportation or US Department of transportation ("USDOT").

**20.1.1.1** In addition to its compliance with the ACDBE Policy as the same may be amended from time to time by the City, Georgia Department of Transportation or U.S. Department of Transportation, Concessionaire shall work in good faith the City's Office of Contract Compliance ("OCC") (or any other federal, state or local governmental or quasi-governmental agency) to maximize opportunities in the utilization of certified ACDBE firms during the construction build-out of the concessions space(s), as well as any on-going supply opportunities. Any submittals provided by Concessionaire to the OCC prior or subsequent to the execution of this Agreement related to the utilization of such firms shall be incorporated herein by this reference. A copy of the current OCC requirements are attached hereto as **Appendix A** and incorporated herein by this reference.

**20.1.2** City's equal employment opportunity policy (See Code Sections 2-1200 and 2-1414; **Appendix A**), as follows:

**Equal Employment Opportunity (EEO) Provision.** During the performance of the Agreement, Concessionaire agrees as follows:

- (a) The Concessionaire shall not discriminate against any employee, or applicant for employment, because of race, color, creed, religion, sex, domestic relationship status, parental status, familial status, sexual orientation, national origin, gender identity, age, disability, or political affiliation. As used here, the words "shall not discriminate" shall mean and include without limitation the following:

*Recruited, whether by advertising or other means; compensated, whether in the form of rates of pay, or other forms of compensation; selected for training, including apprenticeship; promoted; upgraded; demoted; downgraded; transferred; laid off; and terminated.*

*The Concessionaire agrees to and shall post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officers setting forth the provisions of the EEO clause.*

- (b) The Concessionaire shall, in all solicitations or advertisements for employees, placed by or on behalf of the Concessionaire, state that all qualified applicants will receive consideration for employment without regard to race, color, creed, religion, sex, domestic relationship status, parental status, familial status, sexual orientation, national origin, gender identity, age, disability, or political affiliation.
- (c) The Concessionaire shall send to each labor union or representative of workers with which the Concessionaire may have a collective bargaining agreement or other contract or understanding a notice advising the labor union or workers' representative of the Concessionaire's commitments under the equal employment opportunity program of the City of Atlanta and under the Code and shall post copies of the notice in conspicuous places available to employees and applicants for employment. The Concessionaire shall register all workers in the skilled trades who are below the journeyman level with the U.S. Bureau of Apprenticeship and Training.
- (d) The Concessionaire shall furnish all information and reports required by the contract compliance officer pursuant to the Code, and shall permit access to the books, records, and accounts of the Concessionaire during normal business hours by the contract compliance officer for the purpose of investigation so as to ascertain compliance with the program.
- (e) The Concessionaire shall take such action with respect to any sub-Concessionaire as the city may direct as a means of enforcing the provisions of paragraphs (a) through (h) herein, including penalties and sanctions for noncompliance; provided, however, that in the event the Concessionaire becomes involved in or is threatened with litigation as a

result of such direction by the city, the city will enter into such litigation as is necessary to protect the interest of the city and to effectuate the equal employment opportunity program of the city; and, in the case of contracts receiving federal assistance, the Concessionaire or the city may request the United States to enter into such litigation to protect the interests of the United States.

- (f) The Concessionaire and its sub-Concessionaires, if any, shall file compliance reports at reasonable times and intervals with the city in the form and to the extent prescribed by the contract compliance officer. Compliance reports filed at such times directed shall contain information as to employment practices, policies, programs and statistics of the Concessionaire and its sub-Concessionaires.
- (g) The Concessionaire shall include the provisions of paragraphs (a) through (h) of this equal employment opportunity clause in every subcontract or purchase order so that such provisions will be binding upon each sub-Concessionaire or vendor.
- (h) A finding, as hereinafter provided, that a refusal by the Concessionaire or sub-Concessionaire to comply with any portion of this program, as herein provided and described, may subject the offending party to any or all of the following penalties:
  - (1) Withholding from the Concessionaire in violation all future payments under the involved contract until it is determined that the Concessionaire or sub-Concessionaire is in compliance with the provisions of the contract;
  - (2) Refusal of all future bids for any contract with the City of Atlanta or any of its departments or divisions until such time as the Concessionaire or sub-Concessionaire demonstrates that there has been established and there shall be carried out all of the provisions of the program as provided in the Code;
  - (3) Cancellation of the public contract;
  - (4) In a case in which there is substantial or material violation of the compliance procedure herein set forth or as may be provided for by the contract, appropriate proceedings may be brought to enforce those provisions, including the enjoining, within applicable law, of Concessionaires, sub-Concessionaires or other organizations, individuals or groups who prevent or seek to prevent directly or indirectly compliance with the policy as herein provided.

**9.10** In the event an escorted vehicle requires a time limit extension, the vehicle, and its original operator, must return to Gate 73 to obtain a time limit extension to complete work in the AOA secure or sterile area. The approved system of marking and delineating shall be installed, maintained and protected at all times.

**13. Tools and Materials.** Contractor shall create and maintain an inventory of all tools and materials utilized within the SIDA, terminal building, Federal Inspection Service (FIS), and AOA.

**13.1** All tools and materials shall be stored and maintained in a secured manner to prevent unauthorized use, within pre-designated areas within the secured areas of the airport. Storage designations shall be obtained by the Contractor and/or subcontractor, prior to mobilization, by contacting the DOA Properties Division at (404) 209-2945. Change requests for storage designation may be approved only through the DOA Properties Division with notification and concurrence from the DOA Security Division. **13.2** All tools and materials must be secured to prevent unauthorized use at all times within the secured areas of the Airport and/or the AOA. **13.4** All vehicles shall remain subject to search while within the secured areas of the Airport and/or the AOA at all times. Vehicles may also be searched prior to entry to the secured areas of the Airport. The possession of weapons and other prohibited items may result in criminal or civil charges in accordance with applicable laws.

**14. Dumpsters.** Contractors and subcontractors shall be allowed no more than one (1) open dumpster per Agreement work area. Any and all other job-site dumpsters must remain securely covered and fastened at all times.

**14.1** Trash must be removed daily.

**14.2** No dumpster shall be permitted in the Terminal area for any reason whatsoever.

In general, contractors will not be allowed to carry tools and construction materials through the passenger security screening points.

**18.1** Questions regarding Federal Security Checkpoints shall be directed to (404) 763-7437 or (404) 530-2150.

**19. Restrictions on Operations.** Contractor shall plan and conduct its operations so as not to enter upon lands in their natural state unless authorized by City. Contractor shall not damage, close

Contractor shall not disrupt or otherwise interfere with the operation of any pipeline, telephone, electric transmission line, ditch or structure unless specifically authorized by this Agreement. Contractor shall not damage or destroy cultivated and planted areas, or vegetation such as trees, plants, shrubs, and grass on or adjacent to the premises which, as determined by City, do not interfere with the performance of this Agreement. The City will be responsible for furnishing all rights-of-ways upon which the Work is to be constructed in advance of the Contractor's operation.

**20. Cooperation with Agencies.** Contractor shall cooperate with the owner of any public or private utility service, FAA or National Oceanic and Atmospheric Administration (NOAA), or a utility service of another government agency that may be authorized by the owner to construct, reconstruct or maintain such utility services or facilities during the progress of the Work. In addition, Contractor shall control its operations to prevent the unscheduled interruption of such utility services and facilities.

**21. Location of Services.** The City does not guarantee the accuracy or the completeness of the location information relating to existing utility services, facilities, or structures that may be shown on the plans or encountered in the Work. Any inaccuracy or omission in such information shall not relieve Contractor of its responsibility to protect such existing features from damage or unscheduled interruption of service.

**22. Notice to Owner/Operators.** Prior to commencing the work in the general vicinity of an existing utility service or facility, Contractor shall notify each owner/operator in writing of activities which might affect its interests. If, in Contractor's opinion, the owner/operator's assistance is needed to locate the utility service or facility or the presence of a representative of the owner/operator is desirable to observe the work, such advice should be included in the notification. Contractor shall furnish a copy of such written notices to City.

**23. Excavation Methods.** Where the outside limits of an underground utility service have been located and staked on the ground, Contractor shall use excavation methods acceptable to City as may be required to insure protection from damage due to Contractor's operations.

**24. Damage to Services.** Should Contractor damage or interrupt the operation of a utility service or facility by accident or otherwise, it shall immediately notify in writing the owner/operator, appropriate public safety authorities and City and shall take all reasonable measures to prevent further damage or interruption of service. Contractor in such events shall cooperate with the utility service of facility owner and City continuously until such damage has been repaired and service restored.

**25. Failure to Protect Property.** Contractor shall not be entitled to any extension of time or compensation on account of Contractor's failure to protect all facilities, equipment, materials and other property as described herein. All costs in connection with any Improvements or restoration necessary or required by reason of unauthorized obstruction, damage or use shall be borne by Contractor.

**26. Utility Contractor Licensing Requirements.** Contractor shall comply with the requirements of state law, including, but not limited to, O.C.G.A. § 43-14-8.2 (b)(1) which states that:

Such utility manager must be actually engaged in the performance of such business on a full-time basis and oversee the utility contracting work of all employees of the business. In cases where a sole proprietorship, partnership, or corporation has more than one permanent office, then each permanent office shall be registered with the division and at least one person who holds a valid utility manager certificate issued under this chapter shall be stationed in each office on a full-time basis and shall oversee the utility contracting work of all employees of that office.

**RE: ACDBE Documents for Project No.: FC- 5955 Health Care Services at H-JAIA**

Dear Prospective City of Atlanta Bidder:

This packet is substantially different from all previous packets. The Office of Contract Compliance's **Airport Concessions Disadvantaged Business Enterprises (ACDBE)** information is an integral part of every Federally Funded City of Atlanta bid or proposal. Your efforts to assist the City of Atlanta in mitigating the present effects of past discrimination against disadvantaged business enterprises are essential. Please read all of the information very carefully. Pay close attention to the contract goals for this project and the ACDBE program reminders listed on page ACDBE 5.

Many businesses that appear in our register as certified M/FBEs or SBEs are not currently certified as **Disadvantaged Business Enterprises**. Certification of ACDBE firms is being handled by a different agency. Please see page ACDBE 2 for details of certification of ACDBEs. Thank you for your extra attention to the ACDBE program.

If you have any questions about the information included in this section of the solicitation please contact the City of Atlanta Office of Contract Compliance at (404) 330-6010.

**The City of Atlanta looks forward to the opportunity to do business with your company.**

### CITY OF ATLANTA

#### AIRPORT CONCESSIONS DISADVANTAGED BUSINESS ENTERPRISE

#### POLICY STATEMENT

It is the policy of the City of Atlanta to ensure that ACDBEs, as defined in 49 CFR Parts 23 and 26, have an equal opportunity to receive and participate in DOT-assisted contracts. It is also the City of Atlanta's policy:

1. To ensure non-discrimination in the award and administration of DOT assisted Opportunities;
2. To create a level playing field on which ACDBEs can compete fairly for DOT Assisted contracts;
3. To ensure that the ACDBE program is narrowly tailored in accordance with applicable law;
4. To ensure that only firms that fully meet 49 CFR Parts 23 and 26 eligibility standards are permitted to participate as ACDBEs;
5. To help remove barriers to the participation of ACDBEs in DOT assisted contracts; and
6. To assist the development of firms that can compete successfully in the market place outside the ACDBE program.

## **IMPLEMENTATION OF ACDBE POLICY CONTRACT GOALS**

The City of Atlanta establishes contract goals only on those contracts that have subcontracting and/or joint venture possibilities. The size of the contract goal is adopted on a project by project basis, impacted by the circumstances of each such contract (e.g. type and location of work, availability of ACDBEs to perform the particular type of work), in relation to the City's annual DBE goal.

The City of Atlanta expresses its contract goals as a percentage of the total amount of each particular DOT-assisted contract.

Each solicitation for which a contract goal has been established requires the bidders/offerors to submit the following information as part of their bid or offer:

1. The names, addresses and phone numbers of ACDBE firms that will participate in the contract;
2. A description of the work that each ACDBE will perform;
3. The dollar amount of the participation of each ACDBE firm's participation;
4. Written and signed documentation of commitment to use a ACDBE subcontractor whose participation is submitted to meet a contract goal;
5. Written and signed confirmation from the ACDBE that it is participating in the contract as provided in the prime contractor's commitment; and,
6. If the contract goal is not met, evidence of good faith efforts to meet the goal.

The City of Atlanta has designated the Office of Contract Compliance as its DBE Liaison Office. The address of OCC is 55 Trinity Avenue, Ste. 1700, Atlanta, Georgia 30303. The phone number is (404) 330-6010.

Each contracting opportunity at the airport is individually evaluated and the individual contract goal is adjusted as appropriate in relation to the City's Annual DBE goal. The City of Atlanta will express its contract goal as a percentage of the total amount of each individual DOT-assisted contract.

## **GOOD FAITH EFFORTS**

The City of Atlanta treats bidder/offers' compliance with good faith effort requirements as a matter of responsiveness. Compliance of bidders with the ACDBE requirements, including good faith efforts, will be evaluated according to the standards of 49 CFR Parts 23 and 26.

### **DEMONSTRATION OF GOOD FAITH EFFORTS**

The obligation of the bidder/offeror is to make good faith efforts to meet the goal. The bidder/offeror can demonstrate that it has done so either by meeting the contract goal or documenting its good faith efforts. Examples of good faith efforts are found at 49 CFR Parts 23 and 26 Appendix A and are attached to this document.

OCC is responsible for determining whether a bidder/offeror who has not met the contract goal has documented sufficient good faith efforts to be regarded as responsive. In determining whether a bidder/offeror is responsive to the ACDBE goals, OCC will consider whether the information submitted by that bidder/offeror is complete, accurate and adequately documents the bidder's/offeror's good faith efforts. Bidders who are informed that they have not met the "good faith efforts" requirements are entitled to administrative reconsideration of that determination, per 49 CFR 26.53(d).

## **DISADVANTAGED BUSINESS ENTERPRISE CONTRACT GOALS**

### **PROJECT # FC- 5955 Health Care Services at H-JAIA**

The Airport Concessions Disadvantaged Business Enterprise (ACDBE) contract goal for this project is:

**36.0%**

ACDBE participation may be in the form of a prime contractor, joint venture, or sub-contractor arrangement. The above referenced goal will be measured against **total gross revenue earned (prior to the deduction of any expenses, e.g., advertising, insurance, equipment, etc.)** throughout the life of the project.

**\*\*\*NOTE:** Once a successful proponent has been identified, OCC will work with that proponent to ensure that opportunities are maximized in the utilization of **certified DBE firms** during the construction build-out of the concession space(s), as well as any on-going supply opportunities. Participation in these areas must be contemplated independently, and not be included in the participation plan proponents submit in their efforts to meet the 36.0% goal stated above.

### **MONITORING OF ACDBE POLICY**

The City of Atlanta will require prime contractors to maintain records, documents, and receipts of gross revenue attributed to ACDBEs for three years following the performance of the contract. Those records must be made available for inspection upon request by any authorized representative of the City of Atlanta or DOT. This reporting requirement also extends to any certified DBE subcontractor.

The City of Atlanta will keep a running tally of actual gross receipts attributed to the ACDBE firms from the time of the contract award.

The City of Atlanta's Office of Contract Compliance, or its designee, will perform interim audits of gross receipts and contract payments to ACDBEs if applicable. The audit will review payments to ACDBE subcontractors to ensure that the actual amount paid to ACDBE subcontractors equals or exceeds the dollar amounts stated in the schedule of ACDBE participation.

## **ACDBE PROGRAM REMINDERS**

1. ACDBE Plan. All proposals must contain a ACDBE Participation plan in accordance with the goals set forth above. The ACDBE plan must identify each ACDBE's name, address, and contact name, work description, and contract amount.
2. Subcontractor and Supplier Participation. On projects with subcontractor and supplier opportunities, disadvantaged business enterprise participation may only be met through certified businesses that meet the standards of 49 CFR Parts 23 and 26, Subparts D and E. Each prime contractor must meet the requirements of the ACDBE program.
3. Failure to Meet ACDBE Goals. Any bidder unable to meet the ACDBE goals must document the good faith efforts it made to meet the goals. Documentation must follow the requirements of the ACDBE plan pursuant to 49 CFR Parts 23 and 26 etc. If the City determines that good faith efforts were not made, the bidder is entitled to administrative reconsideration under 49 CFR 26.53.
4. Certification. As of March 1, 2004, the City no longer does DBE Certification. DBE Certifications are now handled by the GA Department of Transportation (GA DOT). The contact number for GA DOT is (404) 656-5267
5. Reporting. The successful bidder must submit monthly ACDBE participation reports to OCC, in a form prescribed by the Office of Contract Compliance.
6. ACDBE Concession Program. The ACDBE Concession Program is governed by the provisions of "49 CFR Parts 23 and 26".
7. Contract Assurance. The Concessionaire shall not discriminate on the basis of race, color, national origin, sex, religion, or sexual orientation in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the City of Atlanta deems appropriate. Anti discrimination provisions based upon religion and sexual orientation are not included by or enforceable through 49 CFR Parts 23 and 26 but are enforceable through the City of Atlanta regulations.

## **EQUAL EMPLOYMENT OPPORTUNITY POLICY**

**PROJECT # FC- 5955 Health Care Services at H-JAIA**

### **IMPLEMENTATION OF EEO POLICY**

The City effectuates its EEO policy by adopting racial and gender workforce goals for every contractor performing work for the City of Atlanta on federally funded projects. These goals are derived from the work force demographics set forth by the United States Department of Labor Federal Office of Contract Compliance. These goals are not included in or enforceable through 49 CFR Part 26.

#### **A FIRM 'S WORK FORCE CONSISTING OF LESS THAN TWENTY-FIVE (25) EMPLOYEES IS EXEMPT FROM THE FOLLOWING EEO REQUIREMENTS**

The Office of Federal Contract Compliance Programs (OFCCP) is the office of the United States Department of Labor that has responsibility for administration and enforcement of the Equal Employment Opportunity requirements under the contract compliance program which is authorized by Executive Order 11246 as amended, Section 503 of the Rehabilitation Act of 1973, and the Vietnam Era Veterans Readjustment Act of 1974. The programs mentioned above prohibit Federal contractors and sub-contractors from employment discrimination based on Race, Sex, National Origin, Religion, Sexual Orientation, and against persons with Disabilities or Vietnam Era Veterans, and requires such contractors to take affirmative action to ensure equal employment opportunity.

### **BUSINESS DEVELOPMENT PROGRAMS**

Though the ACDBE program primarily focuses on ACDBE participation at the subcontractor level, it is also important to provide ACDBEs with experience, training and skill development at the prime contractor level. The City of Atlanta encourages joint ventures between a prime contractor and an ACDBE, or a mentor protégé agreement between a prime contractor and a ACDBE whenever feasible on applicable contracts. The general description of the joint venture and mentor-protégé agreements is found on **Attachment 1 and Attachment 2** hereto and in the Atlanta Code of Ordinances.

### **DISADVANTAGED BUSINESS ENTERPRISE PROGRAM MENTOR PROTÉGÉ INITIATIVES**

The mentor-protégé program is an initiative, in accordance with Appendix D to 49 CFR Part 26, to encourage and develop certified Disadvantaged Business Enterprises in contracting with city government in areas that Disadvantaged Business Enterprises have historically been underrepresented due to various discriminatory barriers. This program, implemented on projects with a projected value of 5 million dollars or more, will enable prime contractors of all ethnic and gender categories to provide technical, administrative, and other assistance to smaller, developing businesses. Companies must successfully complete the Disadvantaged Business Enterprise certification process in order to participate as a protégé in this program. Additionally, participation as a certified Disadvantaged Business Enterprise protégé team member will not preclude the inclusion of the same certified Disadvantaged Business Enterprise team member as a self-performing subcontractor in the DBE plan. The subcontracting by the certified Disadvantaged Business Enterprise protégé team member will be applied toward the satisfaction of the DBE goals in accordance with 49 CFR 26, Subpart C, 26.55.

Examples of good faith efforts are found in 49 CFR Parts 23 and 26, Appendix A that is attached to this package.

#### **“Components of a Mentor-Protégé Agreement with DBE Participation as Counted under 49 CFR 26.55”**

The Mentor-Protégé agreement between a prime contractor and the DBE protégé will provide an excellent development opportunity for the disadvantaged business enterprise protégé. Under the guidance of the mentor, the protégé will gain valuable knowledge and experience that will ultimately enhance the capabilities of the protégé. Additionally, the protégé has the opportunity to gain this knowledge and experience without exposing itself to the normal business risks that are associated with projects of this size.

As part of the City's Part 26 DBE program and subject to 49 CFR 26.35 and Appendix D, a mentor may meet up to half of the contract goal for this contract by using a DBE protégé as a self performing subcontractor through a formal mentor-protégé program. The successful prime for this project remains obligated to meet the entire contract goal for this project, including whatever portion of the goal that cannot be met by the protégé. Only independent DBE forms already certified by the City at this time (see “Certification”, page DBE 2) may participate as protégés.

The mentor may not (1) enter into a mentor-protégé agreement as a substitute for compliance with the DBE program, (2) use such an agreement to circumvent the obligations of the DBE program, (3) create a new firm to serve as a protégé (4) require a potential protégé to pay the mentor for the privilege of participating in the agreement, or (5) bar the protégé from performing work on this contract.

To meet the requirements of Part 26, the mentor-protégé team must present a written development plan and formal agreement between the parties to the City of Atlanta prior to executing the final contract.

The agreement should include, but is not limited to the following information:

- The type of collaboration, training and assistance to be provided. The areas of assistance encouraged include, but are not limited to, bonding and insurance support, management and scheduling support.
- The specific rights and responsibilities of the Mentor and the Protégé.
- Names or titles of the individuals from the Mentor responsible for working directly with the Protégé in the areas identified above.
- Names or titles of the individuals from the Protégé responsible for working directly with the Mentor in the areas listed above.
- The term of the agreement.
- A system to monitor and evaluate the effectiveness of the Mentor Protégé agreement.
- A plan detailing how the Mentor plans to include the Protégé on non-governmental projects, governmental projects, and DOT-assisted projects during the term of the agreement.
- Protege shall not subcontract any of their work to the mentor firm or to other contractors without the approval of the OCC. Subcontracted work will not be counted toward DBE goals except as specified by Part 26.
- Mentor and Protege representatives may not bid or otherwise participate independently on a contract in which the Mentor Protege team is bidding or participating as a team.
- Work self performed by the protégé may be used to fulfill up to one half of the DBE contract goal on this project.
- DBE credit will not be awarded to a non-DBE mentor firm for using its own protégé firm for more than every other contract performed by the protégé.
- Staff members from the Office of Contract Compliance will be available to review draft mentor-protégé agreements for compliance with this section.
